

Changing the
way you *think*
about cleaning.

18.1" cleaning path. 2 Motors. Nylon protective bumper.

Meet the i-mop.

A full size scrubber dryer deck with the flexibility of a flat mop!

We've noticed that to this day 70 percent of all surfaces are still being cleaned manually with a mop and bucket. This is time consuming, labor intensive, exhausting and it is never as a clean as you want it to be. Why? Because normal scrubber-dryers only work in vast open spaces.

We have slimmed down every aspect of a normal full size scrubber-dryer while keeping the operational width of the deck the same and made it extremely maneuverable.

Can you imagine, a scrubber-dryer that can clean underneath tables, serving areas,

washroom sinks and that can turn 180 degrees on the spot? A scrubber-dryer you are able to bring with you up and down stairs? A scrubber-dryer you are able to easily store in a broom closet? A scrubber-dryer you don't have to set aside to recharge? Well, now you *can*!

Titanium hinge. Clean underneath objects. 360° of flexibility.

Easy & light.

Easy to fill, clean & empty
above a sink. Use different
tanks for different chemicals.
Separate tanks for clean
and recovered water.

Revolutionary
cleaning.

battery
powered

Quick exchange. 1 hour
recharge. 2 sets = 24/7
power. Li-Ion.

Liberation of users. Designed *from the perspective* - and with *the help* - of female end-users. Completely clean and dry floors. Turn on the spot. Fun and fast to use.

Battery	
1 Hour operation time	24 v 23 ah Li-Ion
Charging time 1 hour	80% charged
Charging time 4 hours	100% fully charged
I-mop	
Operational width	18.1"
Theoretical performance	19375 sq ft/hour
Practical performance	10,000 - 14,000 sq ft/hour
Power rating	700 W
Clean watertank	1 gallon
Recovery watertank	2 gallon
Brush Pressure	48.5 lbs
Weight without - with batteries	38.6 - 47.4 lbs
Weight with battery + water	56.2 lbs
H x W x D I-mop	47.3" x 19.7" x 15"

easy transport

Transport wheels. Fits in normal vehicles. Easy storage. Lift upstairs.
