## Solid Machine Detergent

# Force

**SOLID MACHINE DETERGENT**

### Description:

Force is a HIGH CAUSTIC SOLID, heavy duty machine warewashing compound. Force provides clean ware and sparkling glasses under heavy soil load conditions in soft to moderately hard water, when used at normal warewashing concentrations. Force is a powerful solid dishwashing detergent that will deliver sparkling ware with one pass through the dishmachine. Force can be used in any dishmachine for washing all types of china, tableware, and glassware.

## Usage Recommendations

Use only in a solid bowl type detergent dispenser. Do not use in conventional water filled dispensers. Remove detergent container cover, invert container and insert container in dispenser or use screw threads to attach dispenser.

To remove used container, carefully lift or unscrew container from dispenser.

Turn container upright to avoid spills. Use cover from new container to seal the used container. If product contacts hands, wash off immediately.
